

Developed in a university partnership, Caring Dads is an evidence-based group intervention program for men who have abused, neglected, or exposed their children to domestic violence. The Caring Dads curriculum works with fathers to change patterns of abuse, to increase fathers' awareness and application of child-centered fathering, and to promote respectful co-parenting with children's mothers.

Facilitator Training Event Perth, WA – 29 & 30 Nov

Our upcoming training event is the next opportunity to become an Accredited Caring Dads Facilitator and join the leading, international network of clinicians working in the fields of domestic and gendered violence.

Caring Dads Facilitator training is appropriate for any professional interested in working with fathers (including biological, step, or common-law fathers) who have who have physically abused, emotionally abused or neglected their children, or exposed their children to domestic violence, or who are deemed to be at high-risk for these behaviors.

COSTS

Tuition Fees are \$900 (CAD converted at time of purchase). Course tuition includes lunch and refreshments daily, as well as a copy of the Caring Dads program manual and 4 hours of clinical supervision and support during your first Caring Dads group sessions. For more information visit
