
Safe & Together™ Model CORE Training

Domestic violence-informed child welfare practice requires skills in assessment, interviewing, documentation and case planning. Safe & Together Institute's CORE Training offers four days of experiential classroom training in these foundational skills.

TRAINING PROVIDED BY STOPPING FAMILY VIOLENCE

DATES: 10 - 13 December, 2018 9:00 a.m. – 4:00 p.m.

LOCATION: Centrecare Office Conference Room, 45 Yelverton Drive, Midland WA 6056

COST: \$644.00AUD includes training, materials, morning and afternoon tea and lunch each day.

REGISTER:

<http://events.constantcontact.com/register/event?llr=x6eym8cab&oeidk=a07efp8beehf3b750fc>

Consisting of 22 educational hours of lecture, group exercises, discussion, video, the CORE Training provides participants with an improved understanding of:

- Assessing perpetrators' behavior patterns and their impact on child and family functioning
- Partnering with adult survivors of domestic violence
- Interventions with perpetrators

A 4-day training program by Certified Safe & Together Trainers, which includes hands-on practice and modeling of the following key skills:

- Videos modeling interviewing perpetrators, survivors and children
- Multiple Pathways to Harm & Mapping perpetrators' patterns — two methods for assessing the impact of a domestic violence perpetrator on child and family functioning
- Practicing comprehensive assessment of adult survivors' strengths
- Practicing domestic violence-informed documentation

- Case planning activities to learn how to develop plans to keep children and families safer
